

Vagabonding—Target Audience Test

Note: Fields will autofill for you if you just tap them.

Task 1: Create Profile

Task 2: Filter list by distance, then find Rebecca Anshur and “star” her

Task 3: Filter list by knowledge of USA, then message John Apple

Task 4: Go back to home page(list of users) then try to find that message.

Feedback:

1. How did you find the look of the app?
2. Were you able to find everything you would like easily?
3. Would you use this app while traveling?
4. What features, if any, seem to be missing?
5. Additional comments:
